Summer 2019

## From the District Administrator's Desk

Wow! What a great year we had! We have so many wonderful things to reflect on and be grateful for. Our students continue to make gains in their academic, athletic, artistic, social, emotional, and civic arenas. We have had a whopping 85% of our high school students participate in an activity that met outside of school hours. This includes athletics, band, choir, FFA, and more. The opportunities abound for our students!

This year also saw many additions in our district. We built the beautiful greenhouse over the winter to add more horticulture curriculum and to provide produce to our food service and agriscience classroom. The chicken coop was designed and built by our students. The coop will continue to provide learning opportunities from the egg hatching we experienced this spring to caring for the brood to enjoying the eggs in our school kitchens. We saw some good drama return with "101 Dalmatians" being performed by our students from all levels. And we brought back some caroling for the Christmas season, too. The new scoreboards and sound system in our gym brings the space on par or better than the gyms we compete in. The sound system will also make every one of our concerts and community events so much better and more vibrant. We cannot be more appreciative of the support of everyone who donated to each of these! Thank you for your generosity.

Our academic teams definitely took the lead this school year with our undefeated High Quiz Bowl season garnering the North Division Championship and our Math Team mathletes scoring well throughout their competitions. Nathaen Wanta won 1st place in the algebra division in the Central Wisconsin Math League! Our students are showing they can compete with anyone! Our artists showed many accomplishments this year, too. Band and Choir had many district solo and ensemble performers with several earning berths to state competitions. Several took part in the All-Star Band and Choir, as well. We once again had strong athletic team competitors, too! Baseball, Softball, and Track all competed well and proved we were not teams to be taken lightly. There are definitely good things on the horizon for all our teams and programs!

It is exciting to see each of the high school programs working with our middle school and elementary groups to cultivate the programs. The key to our success in the classroom, on the field or court, in competitions, and on the stage is involvement. We love the staff dedication to our student learning. We love the community support in all areas of our district. We love that our students get involved and can find success to blossom in the areas they love.

Tigerton is a great place for students to get a great well-rounded education!

In January, Tigerton band and choir members, pictured above, were selected to participate in the annual All Star Band & Choir Festival that took place at Rosholt High School. Tigerton students worked with clinicians Dr. Michael Scott Butler, Director of Bands at UW-Stevens Point, and Dr. Eric Barnum, from UW-Oshkosh. Students experienced a high level of music instruction and performed with 250 total students from 22 different schools within our Central Wisconsin Conference Area.

Tigerton band and choir students experienced tremendous success at both the middle school and high school solo & ensemble competitions during late February and mid March! On Saturday, March 16, Tigerton students had a record number of 17 students participate. Five Tigerton students advanced to state solo & ensemble competition held at UW-Stevens Point. On the next page, you'll find the results from this year's event. All students performed at a very high level and represented Tigerton very well. Congratulations to all students on your hard work!

All middle school band members participated this year increasing our involvement to 30 plus students! It was wonderful to see such great parent support at this year's event!

Miss Berndt and Ms. Pope were beaming with delight and so proud of all of your hard work! Great job representing our Tigerton Tigers and congratulations on a successful District and State Level Solo & Ensemble!

## Concerto Competition

Freshman, Mackenzie Maas was selected to audition for the Betty Frost Jenkins Young Artist Concerto Competition, part of the Central Wisconsin Symphony Orchestra. Mackenzie did a phenomenal job during her audition and performed the entire first movement from memory in front of a panel of judges! Unfortunately, she was not selected as the winner but received valuable feedback about her performance that will help further her music education. Congratulations Mackenzie, we are all very proud of you!

# Spring Concert

May was the HS/MS Band & Choir Spring Concert. Thank you to our audience for all the non-perishable food items we collected. Your donations went to support local families in need at the Tigerton Community Cupboard. Thanks for showing our Tigerton Tigers how to give back to the community.

The band featured music from around the world with a culturally diverse music program. A variety of genres were sung by the middle and high school choirs. Several of the choir students, that are also a part of the middle school band provided percussion accompaniment for the choir on several songs. A small choir ensemble featured many middle school choir members and senior Molly Brehm sang a solo.

Thank you for a wonderful year of music. A special thank you goes out to the parents and community members for your endless support of the music department.

Sincerely,  
Miss Berndt & Ms. Pope

### 3-Year-Old Kindergarten 2019-2020

The School District of Tigerton will again be offering a 3-Year Old Kindergarten program during the 2019-20 school year. Students will learn communication and language development, prewriting, social and emotional development, physical skills, cognitive development, math and science skills, and character education.

Children must be three years of age by September 1, 2019, and potty trained to enroll. The 3-Year Old Kindergarten program is open to both resident and non-resident children. Currently one session is scheduled to be held Tuesdays and Thursdays from 8 until 11:30 a.m. at the Tigerton Elementary School. If there is enough interest another session may be added. Busing to and from school will be available for children residing in the School District of Tigerton. Enrollment fees for the program are \$45 per month per child. Enrollment is limited and available on a first come first served basis.

4K

### 4 Year-Old Kindergarten

4K will be held on Mondays and Wednesdays from 8 a.m. to 3:15 p.m. A parent information letter will be sent home later this summer.

### 3 YEAR OLD KINDERGARTEN TUESDAY/THURSDAY SCHOOL SUPPLY LIST

Please label all materials before the first day of school. Be sure to show your child how to use these items over the next month so they become familiar with how to use them. - Boys: 1 Large Box of Kleenex
- Boys: 1 Box of Plastic Forks
- Boys: Gallon Ziplock Bags

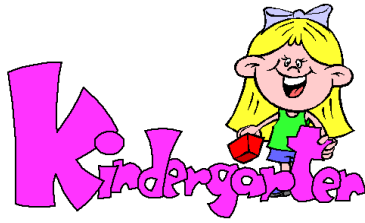

## Tigerton Elementary School Garden

Tigerton Elementary School's garden has expanded to include a new area with three raised garden beds! Funding for this was from a grant the school received from the Whole Kids Foundation. The wood chips for under the raised beds were donated by the Tigerton Lumber Company. The kindergarten class planted tomato and pepper seeds in school and then transplanted the plants outside. They also planted assorted vegetable seeds in the garden and helped tend the garden while school was still in session. The summer school program will take over the garden, doing some additional planting and tending the garden, during the summer. Not only are the students learning a lot about plants and nutrition, but the produce from the garden will be used by the school's food service, giving the students a chance to enjoy fresh vegetables.

A big thanks goes to the Whole Kids Foundation and the Tigerton Lumber Company for their support of this project as well as to Tim Zimdars for building the garden and Amy Laatsch for writing the grant.

The kindergarten class had a busy end of the school year. Along with our regular classwork, we took walking trips to Cedar Street Market, Tigerton Historical Society and First National Bank. We also were visited by Caitlin Witter from the Tigerton Library. The first picture shows the class outside the grocery store. In the second picture, the students are in the classroom at the Historical Society. The third picture shows the students learning about the coin counter at the bank. In the last picture, Miss Caitlin is reading a story to the class.

## 4th Grade Special Events

The 4th grade class at Tigerton Elementary School had a lot of "Special" events they participated in this past spring. In March, Central WI Electric Cooperative visited and showed the students the power of electricity and how to stay safe around it. In April, the class toured our State Capitol in Madison, and the Adventures in Dairyland Program was taught to the fourth graders by HS students. They completed that experience by visiting the Norrbom Farm in May. The first week in June they learned about WI history at Heritage Hill Historical Park in Green Bay. The pictures show Mrs. Meverden's students at the State Capitol in Madison, talking with Farmer Paul at the Norrbom Farm, and at Heritage Hill in front of the Courthouse.

## Summer School 2019

Summer school is in full swing at Tigerton Elementary and Middle School! We have many interesting, fun, and educational classes that students chose earlier this spring.

These classes include: math, reading, and geography, as well as art, sports, phy. ed., and a dash of music! We also have a service class called "Time To Serve." Students pick up garbage and do some work at the ATV Park as well as read to Kindergarten students. This year we have record numbers of 125 in the elementary with an additional 22 attending STEM at the middle school. We also have drivers ed. at the high school level.

Our Family Night will be on Wednesday, June 26, beginning at 5:30 p.m. for supper. A program will follow from approximately 6-7 p.m.

Our field trip and last day will be July 3. We'll be off to sunny Green Bay to have fun at Bay Beach while others will have fun bouncing the day away at Sir Bounce A Lot! Have a great rest of the summer!

Congratulations to the following FFA members who were recognized at the recent FFA Awards Program on Sunday, May 19. Those who were unable to attend were presented their awards at the THS Awards Program on June 4. They were:

Molly Brehm sang with other WI FFA members in the Wisconsin FFA Honors Chorus. She will be also singing at the State Fair (August 8-11?). Casey Wuske received his State FFA Degree on Wednesday.

FFA Ag Summer Trip: Saturday, June 29, Commando Sports Club in Suamico, maybe tour Twig's Beverage in Shawano or Aquaponics tour. We will also go out to eat at Pizza Ranch or another buffet place. Letters will be sent to FFA members and Ag students with more details.

Allen Jobe will be attending the Washington Leadership Conference July 9-14. He won a \$450 conference scholarship from the Wisconsin FFA Alumni Association.

← Allen Jobe is passed the Chapter FFA gavel from Casey Wuske, retiring president.

## Farewell to Debby Griepentrog

On the night of January 16, 2019, Tigerton High School lost one of its longest working, loyal employees, Debby Griepentrog. Debby was born and raised in Tigerton, starting kindergarten in 1958, graduating in 1971, and coming to work in the school library that same year. For 47 years she was like a fixture, knowing three and four generations, seeing many students, teachers, and administrators come and go as well as equipment she worked with.

Over the years, the job she loved had many duties besides doing extras that brought her close to the people around her. She was very proud to be the school historian and organized a core of volunteers to help put out Alumni Directories and the 2009 Centennial Anniversary booklet together.

A special meeting was called before school the next morning on January 17 in the commons to inform the students of her passing. The school flag was flown at half-staff in sad tribute to her memory. The teachers, especially middle school, encouraged the students to write down their feelings on cards. These cards were given to Debby's great niece, Isabella, and great nephew, Gabriel, in middle school. Debby's two other THS and TES great nephews, Zeke and Caleb, were shown tremendous sympathy and support. Debby touched many lives. Also that week, there was a purple and gold day in her honor, where students and staff wore the school colors, which were also Debby's favorite. A picture was taken in the gym (picture on next page), posted on the school website, and put in the Chronicle. The middle school basketball team dedicated their game to Debby that night, giving cheers for her and felt she helped them win.

The day of her burial, January 25, was sunny, but there was a wind chill of 20 below. About 100 family and friends showed up for the graveside service, including many current and former staff as well as former students and classmates. That afternoon at the school, the students gathered in the gym for a tribute to Debby. The recorded song 'Spirit in the Sky' was played, as it was her burial request. There was even a goodbye on the sign outside.

Many donated to a memorial fund set up for Debby. With that money, the family chose items to put in places that meant a lot to her. They gave toward the new sound system in the gym. In later years Debby really appreciated a place to rest while watching or waiting, so benches were locally purchased and set up at both schools (picture on left), picnic tables have been placed at the ball diamond, and a homemade bench by her cousin Joel Minniecheske now stands in the school forest. The Main Street program in Tigerton works to keep the village thriving so was also a choice for a donation. Debby loved Main Street's 4<sup>th</sup> of July fireworks, always sitting behind the school to watch them. Others from school offered to mark the place on the school bleachers where she always sat as a faithful fan; put her name on a tile in the commons; had a special page in the annual made for her; and gave her a tribute at Awards Night (picture above) and Graduation. A former student, Jenna Lilja, sketched Debby's graduation picture in purple to hang in the library, matted and framed in purple and gold, paid for by the Spirit Club of which Debby was a founder.

Last fall, Debby had drawn up the THS Family Trees for a graduation bulletin board of the 2019 graduates, listing parents and grandparents and a few with great-grandparents who graduated from THS too. This was one of Debby's ideas long ago and she did it every year. Tabby Arndt, a senior, worked many hours for nearly a month to fulfill Debby's wish for this year and it was on display for graduation. (Picture on next page.)

Most people don't realize how much Debby did for Tigerton and the school. Many things were behind the scenes and on her own time. She never wanted attention drawn to herself and didn't even like her picture taken. Her motto was 'A good name is worth more than great riches.' She was true to her word and could always be counted on. One strived to be their best around her. She will be missed, but not forgotten.

## About the THS Family Tree Bulletin Board

The 2019 graduation bulletin board, designed by Debby Griepentrog, holds the pictures of 23 graduates and 39 ancestors of them who were also THS graduates. Jared Berg's family tree goes back the farthest, to his great-grandparents, Tony Berg, THS 1935, and Helen Brady, THS 1933. Others with four generations are Jaidan, Noah, Sheridan, and Tabby & Olivia (who are on the same tree). Others have two and three generations, sometimes skipping a generation, but seven are the first of a line to graduate from Tigerton and are depicted as tulips, just starting out with green shoots.

Hopefully, Debby's brain child of 'THS family trees' will continue at graduations in years to come. Families that put down good roots in Tigerton can keep our "graduation's school forest" growing.

In honor of Debby, staff and students wore her favorite colors, purple and gold.

## THS Softball

The Tigerton Tigers 2019 softball season may not have finished the way the team had planned, but the journey was amazing. The athletes continually improved throughout the season and provided each other with cheering support. The Lady Tigers finished the season with a conference record of 5-5 and an overall record of 6-8.

# THS Track & Field

The Tigerton HS Track and Field Teams had a busy season. Some of the highlights of the season were the girls team placing 3rd in our 10-team conference (with only 6 girls on the roster) and bringing home the 2nd PL trophy at the Lions Invite in Wittenberg. Monika Minniecheske earned All Conference honors by placing 2nd in the 300LH and 3rd in both the 100HH and Long Jump, and Mary Kreklow earned All Conference honors by placing 2nd in both the 1600m and 3200m run. Monika Minniecheske qualified for Sectionals in 4 events; long jump, triple jump, 100HH, and 300LH. The 4X800m Relay also qualified for the Sectional meet. On that Relay team were Ladia Block, Bethany Kreklow, Jaycee Hoppe-Schmidt, Mary Kreklow, and Elizabeth Robbins. The three boys on the team all posted personal bests the last week of the season. Jared Berg in the Shot Put and Discus, Nathaen Wanta in the 300IH, and Gage Shumaker in the High Jump. The top picture shows team members and coaches after the Regional Meet. Left to right: Colby Wanta-manager, Gage Shumaker, Jaycee Hoppe-Schmidt, Elizabeth Robbins. Assistant Coach Lindsay Norder, Ladia Block, Nathaen Wanta, Monika Minniecheske, Jared Berg, Mary Kreklow, Bethany Kreklow, and Head Coach Holly Meverden. Monika received the trophy for the 2019 team MVP, Elizabeth earned the Most Improved Player trophy, and Nathaen worked hard all season for the Most Dedicated trophy.

## Middle School Track and Field

Tigerton Middle School offered a Track and Field program again this past spring, and seven hard-working student-athletes decided to dedicate themselves to it. The team participated in about a dozen practices and competed in three meets during the season. Team members include: Jessica Burayi, Angel Welch, Sienna Breaker, Colby Wanta, Kyle Brady, Maverick Maas, and Joey Zimdars. The teams were voluntarily coached by Holly Meverden and Lindsay Norder.

## Middle School **Basketball**

The 2019 Tigerton Tigers 6th/7th grade girls basketball team faced uphill battles as they faced opponents with greater experience. The team was comprised of five 6th graders and three 7th graders. Most of them also played for the 8th grade team. Their hard work and spirit pushed them to a victory and close to several others. The snow-fall and cold affected some progress, but the girls got back into the swing of things and always displayed strong effort. Their desire to learn and improve and support of their teammates is truly admirable. Good luck in your future endeavors ladies!

Front to Back: Elizabeth Steuck, Samantha Suehring, Jessalyn Zimdars, McKenzie Miller  
Back row (left to right): Coach Strike, Abby Swartz, Skyler Hauser, Coach Marquardt

The Tigerton Middle School 7/8th grade girls' basketball team consisted of an eight person roster, which included: Sienna Breaker, Skyler Hauser, McKenzie Miller, Elizabeth Steuck, Samantha Suehring, Abby Swartz, Angel Welch, and Jessalyn Zimdars.

**7/8th**

Most of the season was dedicated to introducing and building upon the basic skills and concepts of basketball, such as: dribbling, passing, defense, and rebounding skills. The team had exposure to the game of basketball, so they had a desire to learn and improve throughout the season. With a ferocious tenacity, the team battled game after game with a never say die attitude and stayed competitive in most games.

Each and every player showed tremendous growth from the first practice through the end of the season. It is hoped that these girls will go on to play basketball throughout the remainder of middle school and into high school in order to continue to build upon their skills.

## School District of Tigerton Named Jostens 2019 National Yearbook Program of Excellence

*Tigerton's Yearbook program recognized for dynamic and engaging yearbook.*

**Tigerton – April 23rd** – Jostens, the leading producer of yearbooks and student-created content, today announced that Tigerton's yearbook program has been named a 2019 Jostens' National Yearbook Program of Excellence. The National Yearbook Program of Excellence recognizes engaging yearbooks that reflect a broad representation of the student body while helping students develop 21<sup>st</sup> century skills such as communication, collaboration, and information and communication technologies (ICT) literacy.

The School District of Tigerton's award winning yearbook program is led by Noah Hohn (Editor), Tabby Arndt (Business Manager), Braxton Michaelis, Courtney Graham, Izaiah Hidde, Sheridan Fredenberg, Jaidan Miller, Gracie Zimdars, Nicholas Suehring, Jared Berg, Monika Minniecheske, and Trinity Hanson under the direction of Mr. Tim Schmidt, Tigerton High School's yearbook adviser.

"We as a Yearbook Staff worked very hard this year to not only make a well put together book, but to also try to include everyone as much as possible to make every student be a part of it, after all it takes all of us to make this district! My Staff also worked hard this year to lock down Yearbook ads which help to offset the cost, helping everyone to afford a Yearbook. I am proud of my staff and am thankful that our hard work got recognized in this way!" Mr. Schmidt

Jostens' National Yearbook Program of Excellence Awards are presented twice a year, in spring and in fall for yearbooks delivered during the school year. The Award was presented to the Tigerton yearbook program for achieving the defined criteria in each of three following categories: creating an inclusive yearbook, generating school engagement, and successfully managing the yearbook creation process.

"Jostens is proud to recognize those individuals who have acted as wonderful stewards by creating an exceptional yearbook for their school and community," said Chuck Mooty, Jostens President and CEO. "Yearbooks are a critical part of telling a school's story, and Jostens is dedicated to supporting yearbook staff members with state-of-the-art tools and resources that help celebrate moments that matter."

The School District of Tigerton's yearbook program will receive a gem-studded recognition pin and a banner to display in school, so the entire school community will be aware of the outstanding achievement.

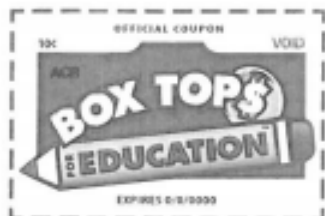

Dear Families,

Big changes are coming to the Box Tops for Education Program, and you're the first to know!

Over the summer, you'll begin to see some participating brands change their packaging from the traditional Box Tops clip to the new Box Tops label.

SEE THIS...  
**CLIP IT**

SEE THIS...  
**SCAN  
YOUR RECEIPT**

Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The Box Tops for Education team is hard at work building a NEW-and-improved, user-friendly Box Tops mobile app that will be ready this summer.

The new app will feature state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online.

WHEN THE NEW APP LAUNCHES, BE SURE TO  
DOWNLOAD IT OR UPDATE YOUR EXISTING APP:

As we mentioned above, some brands have already started to update their packaging in advance. Until the new app launches, if you see the new Box Tops label on packages, you can use the current Box Tops Bonus App to earn Box Tops for that product. Simply download the app, select the bonus offer for the product you've purchased and scan your receipt to earn.

If you still have traditional Box Tops clips at home, be sure to send them to school. We will still earn cash for all clipped Box Tops until they expire. Better yet, once the new app launches, you can "double dip" during the packaging transition by clipping the traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
